Treasurers Report:

Patrick Keenan presented the updated report; there is \$30,000 in the account. We discussed the need to do an association basket for the state conference, with a limit of \$200. Stephanie Anaya agreed to put it together and Calli Biaggi can deliver it. Next item was a discussion to increase yearly fees by \$5-10 since fees have never increased. The entire group was in favor of raising fees \$10 and the group fee \$200 will stay the same.

Old Business: N/A

New Business:

Patrick Keenan made the introduction of new gang analyst for Tulare County, Alissa Dillon

State Board Update: Calli Biaggi was not in attendance, but the group discussed that our association would need at least 25 members to make it be beneficial to join IACA. We decided to postpone this discussion until we figure out what is going on with the state association and IACA. We also discussed if Calli can email all of us about the state website and access.

Patrick Keenan will set up an email group of current members and email it out to association members. There will be two lists, 1 for information for past or non-paying and one for members only.

Training: there was a discussion of fees for training on a case by case basis. If it is a free training everyone is welcome but if there is a fee non-members will be charged a little bit more. November training was brought up, will Dana be handling it and what will the topic be?

Meeting adjourned at 1212 hours
