N/A Patrick was not present

**Old Business:** Our website was discussed, Wild Apricot is the new domain the state will be using, and web address will still be the same, BACA already using it, need to contact Matt Harris for help by the end of October

**New Business:**

For the October Meeting-ESRI can come and do story board presentation, Stacey their trainer for law enforcement can do a webinar, ideas were to use FPD's computer lab but possible conflicts with new officers training in there, proposed date of October 19<sup>th</sup>-Wednesday, let Calli know what your preference is and they will tailor training for us

December Holiday Lunch was discussed, possible dates Thursday December 8<sup>th</sup> or 15<sup>th</sup>. Elections for President, Vice President, Secretary, and the State Board will be done that day.

**State Board Update:** Calli Biaggi stated that IACA wants to come to CA in 2018 near Los Angeles for that year's conference, unique conference which may push back our hosting the conference to 2019. It will depend on the cut that IACA will split with the Southern CA Association if the state agrees or not.

Current conference has 130 attendees and is going smoothly

State Board is working on bringing training to local associations; their workshop in November will be used to go over issues and bi-laws

Cindy Slaton wanted to know if our conference year gets pushed back will we be doing mini-conferences.

Mary-brought up San Luis Obispo and that there is possibly more analysts there & Paso Robles, HIDTA, DOJ (but those that work for Federal agencies usually have to pay their own membership dues)

Training-IPSA emails, integrating fire departments and law enforcement agencies, and online training. Mental Health Analysis-Annie Mitchell has 2 contacts, and Dana has a mental health worker in their building. Please bring ideas and requests for training to the next meeting

Meeting adjourned at 1245 hours
